

Your yearlong planning guide to growing readers

Fostering engagement and growth in literacy begins with intentional planning and reflection. This monthly guide equips educators, instructional coaches, librarians, and district leaders with strategies to nurture a culture and community of learners who celebrate literacy all year long. Featuring themes like belonging, curiosity, and renewal, it offers tools to support and inspire student literacy development throughout the academic year.

Benefits:

- Create and sustain positive mental outlooks toward literacy and teaching over the years.
- Focus on emotional and mental themes each month to reframe attitudes toward literacy.
- Develop weekly plans to reinforce new approaches and attitudes toward reading.
- Inspire students through engaging literacy activities and supportive reading lists.
- Empower students through reflection on progress and recognition of strengths.
- Find author-curated read-alouds and suggestions to connect to the monthly themes.

Love of literature doesn't come easily to everyone. But, for those of us who have always loved reading and writing, we know how fulfilling it can be to find yourself in the pages of a new and undiscovered title. It is important to remember that inside every young person is a reader, and that reading lives transform throughout the seasons of a person's life, and that is OK."
